Only debit card transactions processed by merchants and received by the bank as POS transactions count towards qualifying debit card transactions.

Please note that transactions MUST post and settle to your account during the monthly qualification cycle. They may not be in a pending state to qualify as one of the qualifications. Transactions may take one or more banking days from the date the transaction was made to post and settle to an account. **Monthly qualification cycle** - Monthly qualification cycle means a period beginning one business day prior to the first day of the current statement cycle through one business day prior to the close of the current statement cycle. If you do not meet qualifications this monthly cycle, you have the opportunity to meet the qualifications the next monthly cycle.

Limitation on Number of Accounts - Limit one Kasasa Tunes account per social security number.

Purpose and Expected Use of Account: This account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period, particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. For example, five debit card transactions, each for a dollar, conducted at a convenience store, two days before the end of the cycle period would not be considered by our institution as normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

Westside State Bank reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over 12 consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligations to pay fees or charges incurred prior to termination. No deposits will be accepted, and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Westside State Bank check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash Back account, any optional add-on products or services associated with this account will also be terminated at the same time.

Additional Terms:

If you close your account, any ATM fees that you have incurred and iTunes® Store, GooglePlay.com or Amazon.com purchases that you have made during the statement cycle will not be reimbursed.

You must have an active Amazon, GooglePlay and/or iTunes account or sign up for one or all to receive monthly rewards. iTunes is a registered trademark of Apple, Inc., GooglePlay is a registered trademark of Google Inc. and Amazon.com is a registered trademark of Amazon Inc. Apple Inc., Google Inc. and Amazon Inc. are not participants in or sponsors of this program.
